1. Purpose and Scope

This Policy provides the broad policy and framework for articulation, recognition of prior learning (RPL) and credit transfer for all the courses offered by S P Jain School of Global Management (S P Jain).

2. Guiding Principles

- a. This policy is consistent with the Higher Education Standards Framework (Threshold Standards) 2015 and;
 - i. will be applied fairly and consistently;
 - ii. seeks to ensure that students have the necessary academic preparation to participate in their intended field of study, while not impeding their progression and completion; and
 - iii. students granted credit transfer will not be disadvantaged in achieving the expected learning outcomes for their course of study or qualification. The granting of a credit transfer will not diminish the integrity of the course of study and the qualification awarded.
- b. The objectives of the credit transfer and articulation policy are to:
 - i. Provide students due credit for demonstrated prior learning and outcomes in line with the requirements of each course of study
 - ii. Assist mobility of students eligible to transfer between courses within the School and to other institutions
 - iii. Institute clear guidelines and processes for determining credit transfer and

articulation to and from the courses without compromising the integrity of each course

- iv. Ensure standards and integrity of the credit transfer arrangements.

3. Definitions

As defined in TEQSA's guidance notes and glossary of terms:

- a. Credit is a benefit provided to a student by waiving one or more of the normal requirements for completion of a course of study, such as not having to complete a particular unit of study. Credit is obtained on the basis of evidence that the student has already undertaken and can demonstrate learning that is deemed to be equivalent to level and nature of the parts of the course of study for which credit has been granted
- b. Credit transfer is a process grounded in evidence-based academic judgement that provides students with agreed and consistent credit outcomes for completed components of a course of study based on identified equivalence in content and learning outcomes between equivalent courses of study
- c. Credit arrangements are formal negotiated agreements within and between issuing organisations or accrediting authorities and are about students' entitlement to credit. They may also be formal arrangements made between issuing organisations and students. Credit can be given in the form of block, specified or unspecified credit.

4. Admissions

- a. Admission to the School will be based on the "Admissions Policy" as amended from time to time. The Admissions Policy only defines the eligibility criteria for applying for admissions and does not guarantee an offer for admission.

5. Granting of Credit

a. Student Transfers from other institutions

- i. The School may consider granting credit when the content and standard of a subject and learning outcomes is identical with, or similar to, that of a prescribed subject at the same AQF level for which credit is being sought.
- ii. A student must have obtained at least a passing grade in the subject submitted for credit transfer consideration and where letter grades are used, have obtained at least a 'C' grade.
- iii. Grades for the credit granted will not be included in the S P Jain transcript and will not be considered for the purpose of calculating the cumulative grade point average (CGPA). Details of credit granted will be recorded in the transcript with a grade of E (indicating exemption).

b. Transfer of Credit for subjects undertaken by S P Jain undergraduate students at an Exchange Partner School.

- i. S P Jain has signed Memoranda of Agreement (MoA) with a number of educational institutions for student exchange programs at the undergraduate level.
- ii. These MoAs are broad in nature and without any reference to any specific course(s) and subject(s) level articulation agreements. In the cases where a student of S P Jain decides to undertake a semester or academic year with an Exchange Partner School, the selection of the units of study eligible for credit transfer will be done on a case-by-case basis.
- iii. In all such subjects/instances, the grades for the credits granted will not be included in the S P Jain transcript and will not be considered when calculating the cumulative grade point average (CGPA). Details of credit granted will be recorded in the transcript with a grade of E (indicating exemption).

c. Internal Articulation and Credit Transfer

- i. The School may consider granting internal credit on a case-by-case basis when the content and standard of a subject and learning outcomes are identical with, or similar to, that of a prescribed subject for which credit is being sought.
- ii. A student must have obtained at least a passing grade in the subject submitted for credit transfer consideration.
- iii. In all such subjects, the grades for the credits granted will be included in the S P Jain transcript and will be considered for the purpose of calculating the cumulative grade point average (CGPA).
